

# It's time to get away!

You and your family are flat out fried. Tired! STRESSED!

You're in need of a vacation. And you are IN LUCK!

There's an alien spaceship sitting right there in front of you.  
It's programmed to launch for an all expense paid trip to...

## URANUS!

All you have to do is get through the force field, open the door, sneak past the guards, open the hatch, and find the keys to launch the ship. Easy peasy. Especially if you are an eagle-eyed, puzzle solving, alien comedian who loves fun.

To inspire you, the URANUS travel board sent us this lovely description of their planet as a vacation destination.

*Come to URANUS for the galaxy renowned hot springs enhanced by the ice all around. Stay for the alien hospitality! On the lovely blue planet of URANUS the pace is slower, the crowds are smaller and so are you! Everyone who visits the planet automatically loses half their body weight upon arrival. Eat all the donuts you want during your stay, you won't gain a pound.*

But hurry, hurry, HURRY! This offer only lasts for the next 60 minutes! If you don't launch the spaceship by then, the sun will set on URANUS. And since night on URANUS lasts 42 years, you want to get there right away!

Good luck on your getaway! URANUS looks forward to seeing you soon.
